REMARKS

The title of the application has been changed to “ASSOCIATED MATERIAL OF A COMPOSITE RESTRAINT SYSTEM FOR SECURING FREIGHT.”

After entry of the foregoing amendment, Claims 1-10, and 41-49 are pending in the present application. Claims 11-40 have been cancelled; having been pursued as either originally elected claims of the parent application or as claims in a concurrently filed divisional application. The Specification is amended to cross-reference the parent patent application which is included in the claim for 35 U.S.C. 120 priority. Examination of the present application is respectfully requested in light of the foregoing amendments.

The present application is a divisional of parent U.S. Application Serial No. 09/991,106, entitled “Composite Restraint System for Securing Freight,” filed November 16, 2001. A restriction requirement was issued in the parent application. The cancelled claims of the present application were directed to originally restricted Group II claims (11-19), Group III claims (30-38), or Group IV claims (11-19, 20-29, and 39-40) of the parent application, which were either previously elected and prosecuted in the parent application, or are being concurrently prosecuted in a related divisional application. Claims 11-19, 30-34, and 40-42 of the parent application have been allowed by the Examiner, but the issue fee has not yet been paid.
